

Sample Authorization Letter

For Munjiz OS Upload Testing Only

Document Type	Authorization Letter - Sample
Related Resource	Cisco Authorization Letter
Resource ID	9
Prepared For	Munjiz OS testing environment
Date	2026-04-25

Purpose

This sample file is created only to test the resource document upload feature in Munjiz OS. It is not issued by Cisco, any distributor, or any manufacturer. Do not use it in any real tender submission.

Sample Evidence Statement

The company may upload official authorization letters, distributor confirmations, manufacturer letters, or partnership certificates as supporting evidence for supply-related tender requirements. The agent can later link these documents to requirements such as vendor authorization, product supply capability, warranty support, and manufacturer compliance.

Suggested Upload Values

resource_id	9
document_type	authorization_letter
notes	Sample authorization letter used to test resource evidence upload.

Important Disclaimer

This document is a dummy test artifact. Replace it with a real signed authorization letter before using the system for actual tender qualification or evidence-based submission decisions.
